The simple present of all verbs

In this lesson, I will tackle the simple present tense of all verbs (I have already mentioned the present simple of the verb to be in my second lesson).

How to form the simple present tense?

A / There are only two basic forms for the simple present tense; one ends with -s and the other doesn't. Here are the rules, using the example of the verb to eat

I eat (simple form)

You eat (simple form)

He eats (simple form + s)

She eats (simple form + s)

It eats (simple form + s)

We eat (simple form)

You eat (simple form)

They eat (simple form)

IMPORTANT: Only THIRD PERSON SINGULAR subjects (he, she, it) must have a verb with an "s" at the end.

B/ -S or -ES?

With most verbs, the third person singular form is created simply by adding -S. However, with some verbs, you need to add -ES or change the ending a little. Here are the rules:

1/ Verbs ending with "z", "sh", "ch", "ss", "x" and "o" must take an -es at the third person singular.

Examples

He passes (verb to pass)

He wishes (verb to wish)

She watches (verb to watch)

She buzzes (verb to buzz)

He goes (verb to go)

2/ Verbs ending with a consonant +y : you must change y to i and add 'es'.

Examples:

It **flies** (verb to fly)
He **studies** (verb to study)
She **carries** (verb to carry)

C/ The simple present of the verb 'To Have'

The Simple Present of the verb to have is slightly irregular, since the bare infinitive is have, whereas the form of the verb used in the third person singular is has. The Simple Present of the verb to have is conjugated as follows:

I have
You have
He has
She has
It has
We have
you have
They have

D/ The simple present of the verb 'to do'

I do
You do
He does
She does
It does
We do
They do

الدرس الرابع

The Simple Present of all Verbs

Part Two: Negative and Interrogative forms

I **don't** work :negative form

you work
you **don't** work

He works
He **doesn't** work

She works
She **doesn't** work

It works
It **doesn't** work

We work
We **don't** work

You work
You **don't** work

They work
They **don't** work

.....

Interrogative form

Do I work

Do you work

Does he work

Does she work

Does it work

Do we work

Do you work

Do they work

Eighth Lesson

Countable and Uncountable Nouns

1-Countable Nouns

Countable nouns are easy to recognize. They are things that we can **count**. For example: "pen". We can have one, two, three or more pens. Here are some more countable nouns:

• dog, cat, animal, man, person

• bottle, box, litre

• coin, note, dollar

• cup, plate, fork

• table, chair, suitcase, bag

Countable nouns can be **singular or plural**:

- My dog is playing.
- My dogs are hungry.

We can use **the indefinite article a/an** with countable nouns:

- A dog is an animal.

We can use **some and any** with countable nouns:

- I've got some dollars.
- Have you got any pens?

We can use **a few/ few and many** with countable nouns:

- I've got a few dollars.
- I haven't got many pens.

2-Uncountable Nouns

Uncountable nouns are substances, concepts etc that we **cannot divide** into separate elements. We **cannot "count"** them.

For example, we cannot count "milk".

. Here are some more examples of uncountable nouns:

- music, art, love, happiness
- advice, information, news
- furniture, luggage
- rice, sugar, butter, water
- electricity, gas, power
- money, currency

We usually treat uncountable nouns as **singular**. We use a **singular verb**. For example:

- This news is very important.
- This coffee tastes bad.

We do not use the indefinite article a/an with uncountable nouns. We cannot say "an information" or "a music".

But we can say :

- a piece of news
- a bottle of water
- a grain of rice

We can use some and any with uncountable nouns:

- I've got some money.
- Have you got any rice?

We can use a little and much with uncountable nouns:

- I've got a little money.
- I haven't got much rice.

Exercises:

- A/ Write "c" if the noun is countable, "uc" if the noun is uncountable.

Example: tomato:"c"

1. tree
2. sugar
3. rice
4. water
5. cup
6. friend
7. school
8. love
9. table
10. time

- B/• Use a singular or plural verb in the following exercises.

Remember uncountable nouns always take singular nouns.

Example: I like cheese. (like)

1. She (read).....books every day.
2. They (come).....to school by minibus .
3. Karim (work).....very hard at home.
4. I (like).....to sit at the seaside in Alanya.
5. We always (do)the exercises very carefully.
6. Mounir never (cook)meals to us at home.
7. Some students (drive)very fast at the school campus.
8. He (speak).....two *****s ; English and French .

9. We (watch)good films on tv every day
10. The class (begin).....at 8:15
11. Milk.....healthy. (be)
12. Grape juice.....good. (taste)
13. Grapes.....delicious. (be)
14. A grape.....on the floor. (be)
15. Rome.....(be) a beautiful city.
16. Monkeysbananas. (eat)
17. Sandwiches..... good. (be)
18. You..... great pizza. (make)

Simple past of regular verbs

The simple past of regular verbs is usually formed by adding **-ED** to the verb

However, with some verbs, you need to add **-ED** or change the ending a little

Here are the rules

Verbs ending in **e** = we add **d**

examples : live = lived

date = dated

type = typed

Verbs ending in **consonant + y** = we change **y** to **i**, then we add **ed**

examples : try = tried

cry = cried

spy = spied

Verbs ending in **one vowel + one consonant** (but NOT **w** or **y**) = we double the consonant,
then we add **ed**

. examples: commit = committed

tap = tapped

fit = fitted

For the rest of regular verbs we just add **ed**

examples : play = played

work = worked
